

British Gymnastics Insurance

Dear Parents/Guardians/members,

As many of you are aware, members are required by law to have British Gymnastics insurance in order to take part in trampolining (whether competitively or recreationally). Our insurance year runs October 1st to September 30th. **Legally, members are required to have insurance once they have been to two sessions at the club.** This is not a decision made by the club, this is enforced by our governing body, British Gymnastics, therefore, we are unable to give any leeway in the matter. Please note that no matter when you initially took out insurance, everybody's is due again before October 1st.

Costs are as follows and include insurance and yearly membership. Yearly membership contributes towards overall running costs of the club (including coach education, maintenance and replacement equipment etc. To give an idea a new trampoline costs in the region of £8,000 and this is only one expense). Most members will fall under bronze category, but if you are in any doubt, please see your coach.

In order to register you/your child, you need to pay the amount below to Aeronaunts Trampoline Club (cash, cheque or BACS is fine), as well as register your details online. Simply visit www.british-gymnastics.org/memberships If you experience any problems with this, please call British Gymnastics Customer Service team on 0345 129 7129 or use live chat via the website www.british-gymnastics.org

Thank you for your ongoing support within our club. It is sincerely appreciated.

Many thanks,

Linsey
